“The Famous Dark Maroons”

27 August 2010

Past Players

Dear valued Past Player,

It is with some pride that we can announce the formation of our inaugural Past Players' Association. The committee and players of the UBCC Inc. would like to invite you to become one of the first members of this organization.

A Past Players group will establish a link between those who have played cricket with the Maroons and those currently enjoying their association with the club. It is envisaged that there will be regular gatherings of past players and we feel that our former members can contribute a great deal to the current club.

The benefits of being a member are diverse. In 2009/10 we held two President's lunches to which we invited all our past players as guests. The club struck a UBCC lapel pin which members receive and wear with pride. We also have a UBCC bumper sticker available too. Members are included on the database and receive regular club newsletters via email to keep them in the loop with all our news. Of course all our past players will be invited to join us at annual events such as Presentation night – however, through the newsletters, we will keep you informed of our social events.

To join the UBCC P.P.A. there will be a small cost of \$25 (payable by cheque or electronic transfer) but this will provide you with your lapel pin, free entry to the President's Lunch as well as all the newsletters. (See slip below – return to Rob Hansen address below)

Please pass on information of this magnificent body to any other past players with whom you still have contact. We would appreciate you forwarding contact details to Rob Hansen (Club Secretary) for those in that category (email address above)

We look forward to seeing you at the club in the future.

Rob Hansen
